

MOVING RESEARCH FROM PAPER TO PRACTICE

Northwood's first Research Symposium on Continuing Care

Northwood's Christina and Hedley Ivany Place, June 14, 9:30 a.m.- 2:00 p.m.

Join us as we host our first Research Symposium addressing the growing importance of research in the field of Continuing Care. It will touch on topics of interest within Continuing Care, from home care to nursing homes, that appeal to administrators and managers, healthcare providers, researchers and students. It will also cover innovative ways of how we transfer knowledge gained from research initiatives into our daily lives.

Registration: Cost is \$25.00 per person. Please fill out the form attached including method of payment and register:
